*VALLEY UTILITIES PROJECT*

*Project Numbers: XP-986861, XP-976162, XP-976439*

**Date:** Wednesday June 20, 2007

**Time:** 6:00 PM to 7:30 PM

**Place:** *South Valley Command Center, 2039 Isleta Blvd. SW*

**Agenda:** *6:00 to 6:15 review project background and purpose*

*6:15 to 6:40 summary of preliminary engineering report/ environment information document*

*6:40 - ? public question and answer and comments*

**Purpose:** Bernalillo County obtained a "Finding of No Significant Impact" (FNSI) for the Valley Utilities Project in 2002. This is the environmental clearance required to utilize federal funds for the design and construction of sewer and water systems for the developed but unserved areas of the South and North Valley. This FNSI must be renewed every five years. Bernalillo County has requested reaffirmation of the FNSI, and this public hearing allows opportunity for public comment on this request.

The purpose of this public hearing is to present applicable laws and/regulations, to review the draft preliminary engineering report and environmental information document, seek public comment, identify issues of concern, present the range of alternatives considered, and enlist public participation in continuation of the project plan.

**Contact:** For copies of available documents or for more information contact:
